Please list **ALL** degrees/majors/minors/programs currently being pursued. Any **NOT** listed will be coded as inactive and removed from your degree plan.

Changes may impact Financial Aid. Please speak with your campus or Registration & Financial Services for specific information.

When pursuing two Associate or two Baccalaureate degrees, residency requirements double; if one degree is completed prior to the other, the second residency goes into effect after the first degree completion date.

Each Division of Adult Higher Education campus may offer only those degree programs authorized by Columbia College and the appropriate state authority. All degree programs are not available at all campuses. Before seeking a degree at a particular campus location, students should make sure that the desired degree program is offered at that location.
