SCOPE OF SERVICES
Math Specialists will answer questions, explain concepts, provide graphing calculator instruction and help with test-taking strategies. They will not teach material from missed classes. Students are encouraged to form study groups and plan to meet in the Center to discuss homework and prepare for exams.

WHO IS ELIGIBLE?
All students enrolled for credit in a course offered through the Computer and Mathematical Sciences Department on the Columbia College home campus as well as online Boone County CC students.

WHAT COURSES?
All 100 and 200-level Math Courses [Math 102, Math 155, Math 165, Beginning, Intermediate and College Algebras; Finite Math; Pre-Calculus; Calculus I & II; Discrete I; and Statistics I]

POLICIES
You may visit up to 2 hours per day. Students are asked not to bring guests or children when they come to use the services of the Center. Staff will assist with graded homework and take-home quizzes/exams only when this is consistent with the policy of the assigning professor.
