Notes:

Retention is measured for first fall session each year.

Cohort includes Transfer, Full-Time Non-ESOL, Degree-Seeking, Undergraduate Students only. Students who graduate are removed from the cohort.

Transfer cohort is treated differently than the First-Time, Full-Time cohort in that graduates are removed prior to retention calculations and students that are First Time Transfer students in the summer are excluded.

*2012 forward ESOL students are excluded

*2014 forward deceased students are excluded and limited to bachelor degree seeking.
