Other Requirements:

Post Baccalaureate certification students completing the FAFSA to receive financial aid for certification must complete the following questions on the 2023-24 FAFSA accordingly:

Question 26 – “5th year/other undergraduate”

Question 27 – “Teaching credential (nondegree program)”

Question 44 – “No”

You can do this online at: <https://studentaid.gov/h/apply-for-aid/fafsa>.

Master of Arts in Teaching (MAT) degree

If you are planning to pursue the MAT degree after certification you will need to relay that information to your Education advisor since that may determine how many certification courses you should take at the graduate level. (In some cases, taking all of the graduate options would result in your taking more than the 36 hours needed for the degree.) The MAT degree requires a total of 36 hours of EDUC coursework at the graduate level which includes 15 hours of core courses (EDUC 500, 504, 508, 555, and 560). Therefore, be sure to take EDUC 555 (instead of SOCI 270) and EDUC 560 (instead of EDUC 230) since they work both for certification and the MAT degree. The other graduate-level courses for certification can be taken to count toward the 21 hours of electives required for the MAT. Recommend taking the following: EDUC 555 and EDUC 560 for the MAT core, and EDUC 698 and four additional graduate-level courses from this certification checklist for the MAT electives.)
