Bachelor of Science in Nursing (BSN) Application Process (once fully admitted to Columbia College):

The Columbia College Bachelor of Science in Nursing (BSN) program is currently offered at the main campus in Columbia, MO. Admission to the BSN program is on a selective basis. The maximum number of students admitted into the program at full capacity is 40. Students will apply to the nursing program when they have completed or are currently enrolled in their last prerequisite courses required for nursing program selection. The courses required for the BSN selection process are: BIOL 110, BIOL 110L, BIOL 326, BIOL 326L, OR BIOL 223, BIOL 223L, CHEM 109 or CHEM 110, ENGL 112, MATH 150, and PSYC 101.

There will be one cohort a year accepted to the Traditional BSN program. Students must submit the following by the posted application deadline in April for the nursing sequence beginning the following August:

1. Completed Columbia College BSN Nursing Program Application found on the BSN nursing website or from the nursing department;
2. Submit a request for degree audit (see attached form – page 9) to your academic advisor which includes the following prerequisite courses with a minimum grade of C: BIOL 110, BIOL 110L, BIOL 326, BIOL 326L, OR BIOL 223, BIOL 223L, CHEM 109 or CHEM 110, ENGL 112, MATH 150, and PSYC 101;
3. Report from a TEAS test administered at Columbia College with a minimum score of 70.
4. A minimum GPA of 2.75 is required in BIOL 110, BIOL 110L, BIOL 326, BIOL 326L, OR BIOL 223, BIOL 223L, CHEM 109 or CHEM 110, ENGL 112, MATH 150, and PSYC 101 to be accepted into the nursing program.
5. A letter of reference from a Columbia College non-nursing faculty member. Transfer students may provide a letter of reference from their previous college.
6. Applicants who have attended a nursing program in the past five years must provide a School of Nursing reference form completed by the program director from the previous school prior to the application deadline.
FUNCTIONAL ABILITIES

Admission criteria shall reflect consideration of the potential to:

1. Complete the program.
2. Possess the necessary functional abilities (see below).
3. Meet the standards to apply for licensure as a Registered Professional Nurse.
4. Students who are re-admitted or admitted as a transfer shall complete the same requirements for graduation as any other member of the class to which they are admitted.

FUNCTIONAL ABILITIES

The Bachelor of Science of Nursing Program prepares the student for a nurse generalist role. Functional abilities to meet this role include behavioral/emotional, cognitive, communication, professional conduct, psychomotor skills, and sensory/perceptual.

**Behavioral/Emotional:** Ability to maintain effective, therapeutic relationships with patients, families, students, faculty, staff, and other professionals under all circumstances and settings, including highly stressful situations. Possess the emotional health required for full utilization of his/her intellectual abilities, the exercise of good judgment, and the prompt completion of all responsibilities involved in the area of patients and families.

**Cognitive:** Ability to evaluate and apply knowledge and engage in critical thinking in the classroom and clinical settings.

**Communication:** Ability to communicate effectively and therapeutically with other students, faculty, staff, patients, family and other professionals in both oral and written forms.

**Professional Conduct:** Ability to reason morally and practice nursing in an ethical and legal manner. Be willing to learn and abide by professional standards of practice. Be able to deliver safe, effective nursing care to all patient populations, including but not limited to children, adolescents, and adults with various emotional, developmental, and medical problems and needs. Adapt to rapidly changing environments/situations while maintaining professional demeanor.

**Psychomotor Skills:** Ability to maintain motor coordination, strength, flexibility, dexterity, balance, and sensory capabilities sufficient for safe and accurate assessment of the patient and performance of patient care tasks.

**Sensory/Perceptual:** Ability to utilize vision, hearing, and senses of touch and smell to thoroughly analyze patient data and provide accurate and safe treatment/care.

Student signature verifies that he/she is able to meet these functional ability requirements.

If you are selected for the Nursing program, the following additional requirements must be met:

- Purchase a Background Check & Medical Document Manager and Drug Test package from Certified Profile/Background. The information needed to purchase the package will be included in student’s acceptance letter. The cost for this package is approximately $148.
- Urine drug test. Those selected will be sent information about the drug test in their acceptance letter.
- Official documentation of physical forms including immunizations/titers. See below for immunization requirements. These forms will be available at Certified Profile/Background after class selection.
- Current CPR certification by the American Heart Association, Health Care Providers course. The documentation for this will be submitted to Certified Profile/Background after selection.

Students must provide official documentation to Certified Profile/Background of the following immunizations and screening tests:

- Tdap (replaces previous Tetanus – recommended every 10 years). Document the date of the immunization.
- Two Step Tuberculosis screening - PPD (Mantoux) Administered 1-3 weeks apart within the past 12 months and a single step skin test annually.
  - Official documentation of the test and the test results must be submitted to Certified Profile/Background. The test must be performed in the United States. Students must have a yearly PPD while in the program and must provide official documentation of the test and the test results.
  - If you have had a positive PPD (TB skin test, Mantoux) you will need to have a chest x-ray performed verifying that you are disease free (clear chest x-ray the year you are accepted into the program). Failure to do so will prevent you from starting/remaining in class. You will need to provide a copy of the chest x-ray report to Certified Profile/Background. Every year that you are enrolled in the nursing program you will need to see a Health Care Provider to go over a symptom check list and submit the checklist to Certified Profile/Background. A second chest x-ray may be necessary if you have symptoms or if an x-ray is requested by one of the sites where you will be doing clinical.
  - If you become positive while in the program, immediately contact the Nursing Department Chair/Director at: 573-875-7219 and follow the same protocol as described above in B.

- Hepatitis B series (three)
- MMR series (two)
- Varicella (chicken pox) series (two)
- Influenza (annually)
- If you cannot provide official documentation of the MMR or HEP B series or having chicken pox, you will need to be re-immunized or have titers drawn to verify immunity.

Background Screening

Students accepted into the Nursing Program are required to have a background check performed by Certified Profile/Background at their cost. Instructions will be sent with student’s acceptance packet.
Test of Essential Academic Skills (TEAS) Exam

The TEAS test must be taken at either the Columbia College Columbia Campus or Lake Ozark Campus. Please visit our web site https://web.ccis.edu/Departments/Nursing/BSN for dates, and to register for the test. There is a $60 non-refundable fee for the TEAS entrance exam. If a student fails to show up for the exam, payment cannot be refunded or used toward another test.

Study guide material can be purchased at the Columbia campus bookstore or at the ATI website at: http://www.atitesting.com/ati_store/TEAS-Products.aspx.

Exams will begin promptly at the time designated on our website. Late arrivals will not be admitted. Students should bring a photo ID or driver’s license, along with their user name and password to log into the TEAS exam. The exam is computerized and students will be able to view their results at their convenience.
